President's Letter -January

It is again my pleasure to be club president for 2017. For those who didn't know, I was president back in 2009 as well. As I look forward to the new year, I ask myself, "why do we have a car club and what is its purpose?" Certainly none of us need more meetings in our busy lives. We could easily find other ways to spend \$51 each year. The bottom line answer is to have fun! To have fun with our Corvettes along with a group of people who also have Corvettes and like to have fun. The cool thing is that Amy and I didn't know any of you before we joined the club. The club brought us all together and together we look forward to a great year of cruises, rallies, car shows, club meetings and of course, fun!

A special thanks to Randy for quickly making new arrangements for the January meeting. For those of you unable to be at the meeting, the Anchorage Marina had a staff change and was not able to host our group in January. We plan to again be at the Marina for the Wednesday, February 08 meeting.

Secretary Report - Nancy Baker

We had a really good turnout for our first meeting of the 2017 with 24 members in attendance. Dan and Nancy sold the 50/50 tickets for the Sapitas and the big winner of \$33 was Al Friend!

There was a vote to determine whether to keep meetings at Anchorage Marina and Yacht Club on Wednesdays for February and March, or to move meetings to Tuesdays at Brann's. A vote was taken and with a show of hands to show approval, the LCC monthly meetings will remain on the 2nd Wednesday of each both February and March. (February 8, and March 8)

We want to thank Ron and Diane Bachem for collecting all of the donations to Community Action House. We ended up collecting 183 items with an estimated value of \$221.30!

Gary Richardson will have updates for LCC Members on the 2017 Canadian Trip for 2017 at our February meeting regarding details such as; auto insurance, health insurance, cell phones, driver's license, etc.

Tom Atwood has volunteered to once again be in charge of the Careerline Tech Center scholarship. Gary Richardson has volunteered to assist him. Tom has already been in contact with Careerline Tech Center. We should be hearing from then around March. If anyone is interested in a tour of the Careerline Tech Center's automotive area, please feel free to call the Careerline Tech Center for a tour.

Thank you to all members that contributed and purchased items for the Christmas Auction. There were some wonderful gifts, as well as the Chinese Telephone Book, which is now owned by Tom and Jackie Atwood! We raised \$318 with our big spenders award going to Gary Richardson and Joy Ballast.

The Governor will no longer be sending the President's Letter via e-mails to all members, you should be receiving it directly from LCC. Joy will be checking into the 2017 Pins and the club will be paying for them.

Membership Report - Kay Sapita

A membership roster is posted in the Members Only area of the LCC web site. Please contact Kay if there are any changes regarding your phone number(s), address, e-mail address, Corvette information, birthdates, or anniversary date. It is important to keep our information current as well as our NCCC database.

Vice President - Rob Dernberger

Rob did his own version of a fundraiser which entailed everyone receiving a lottery scratch-off ticket. If any member received more than \$10, it was requested to share the winnings with the club. Congratulations to Tom and Jackie Atwood who won \$2!
