President's Letter -March

If you didn't already know, I'm a car guy. I've been a car guy since I was a kid. It all started with hand-me-down Hot Rod Magazines and model cars. You know, the kind you had to break apart all the injected molded pieces and glue together. Sometimes the box would show you two different ways to complete the model. One was all original and the other was custom. Either way, my favorite part of each build was the paint and putting on all the cool decals. We kind of do the same thing today, but on a much larger scale. We make a decision to keep our Corvettes original or to make changes. Some changes are very subtle, like a new air freshener, while others over the top. Either way, you finish the car the way you like it. Don't forget, April 11 is our first cruise of the year. I hope to see you all there.

Save the Wave,

Brian Martinie,
LCC President

Secretary Report - Nancy Baker

We had 32 people join us at Brann's with the Brian and Amy Martinie winning the 50/50 jackpot of \$36.00. With no luck could we convince Brian to put the money back into the club.

If anyone is not receiving my email please let me know, a test was sent out and I think everyone received it.

We need to very diligent on signing of the waivers when ever we go on a cruise or a whole club sponsored event. Nancy Baker will be in charge of making sure they are signed, if in the event she is not there then Brian or Rob will have extras. They must be signed by minors parents in the event that they you join you and can be received by Nancy or printed from the NCCC website under insurance and then Minor. If at time you want to read the information Brian and I have copies or you can findon NCCC. Thank you in advance for being understanding with this change.

Canada Trip is coming along great thanks to Gary Richardson. We will be leaving on Sunday making a couple of food stops for we get to hotel. On Monday we will be taking a bus tour of wineries. Tuesday we will be driving to Toronto for a sightseeing of the Casa Loma Castle, dinner that evening is at Brazilian Steakhouse. Wednesday we will touring a Engine shop and hopefully hear them dyno a 4000 horsepower engine. (Needless to say if you dont know me very well, this more then excites me.) Anyone not wanting to go to the Engine Shop there is a Cheese Factory close also. Gary and Joy are working on maybe a few other options. Thank you for all you have done so far, this is a great undertaking and sounds fun.

Brian is working on a list of cruises, shows, events and other things to do in the summer. If you have or know of anything that he might not know please let him know.

Thank you to Randy Katt for all you have done over the winter to arrange the meeting times, change places if needed and even arrange the seating. The club is great with all the help we get from everyone.

If you are a cruise leader for 2017, please let Nancy know once you have made your reservation at a restaurant.
